RUBETEK

TWO-BUTTON REMOTE CONTROL PANEL
RL-3126

Technical Data Sheet

Description

Rubetek Two-Button Remote Control Panel is a battery-powered wireless device.
Panel is equipped with a radio module. It sends a signal to the hub device by your touch and starts any scenario of your choice — turn off the lights, open curtains, switch off power etc.
More buttons — more scripts.
To add Two-Button Remote Control Panel in the mobile app you need a hub device.

Key Features

Wireless

RF 868 MHz

Battery life up to 3 years
