

**ONE-BUTTON
REMOTE CONTROL PANEL**

RL-3120

Technical Data Sheet

Description

Rubetek One-Button Remote Control Panel is a battery-powered, wireless device. Panel is equipped with a radio module. It sends a signal to the hub device by your touch and starts any scenario of your choice — turn off the lights, open curtains, switch off power etc. To add One-Button Remote Control Panel in the mobile app you need a hub device.

Key Features

Wireless

RF 868 MHz

Battery life up to 3 years
