

WIRELESS CHIME

RV-3443

Technical Data Sheet

Description

Rubetek Wireless Chime RV-3443 is a battery-powered doorbell accessory that enhances the functionality of Rubetek IP Intercoms (RV-3440, RV-3441, RV-3442). It allows you to choose one of 4 different chime sounds to accompany intercom calls and change their volume level to make sure they are heard in all rooms.

Key Features

RF 433 MHz

4 polyphonic signals

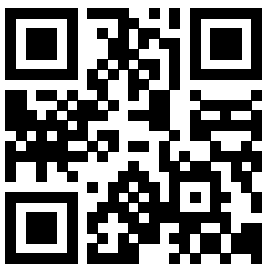

Up to 100 m wireless range

Adjustable volume

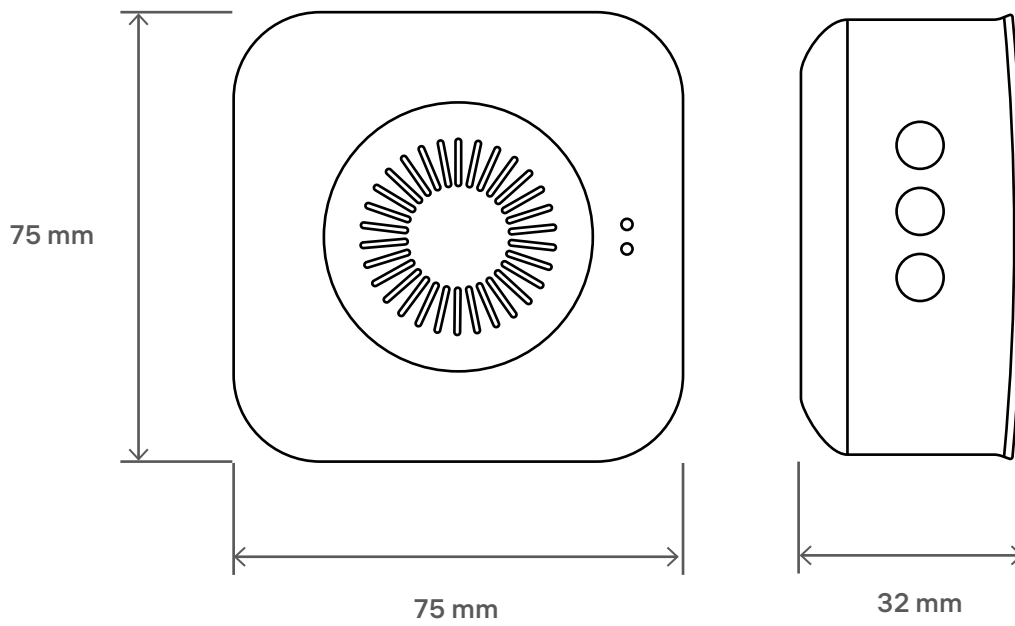

Mobile app

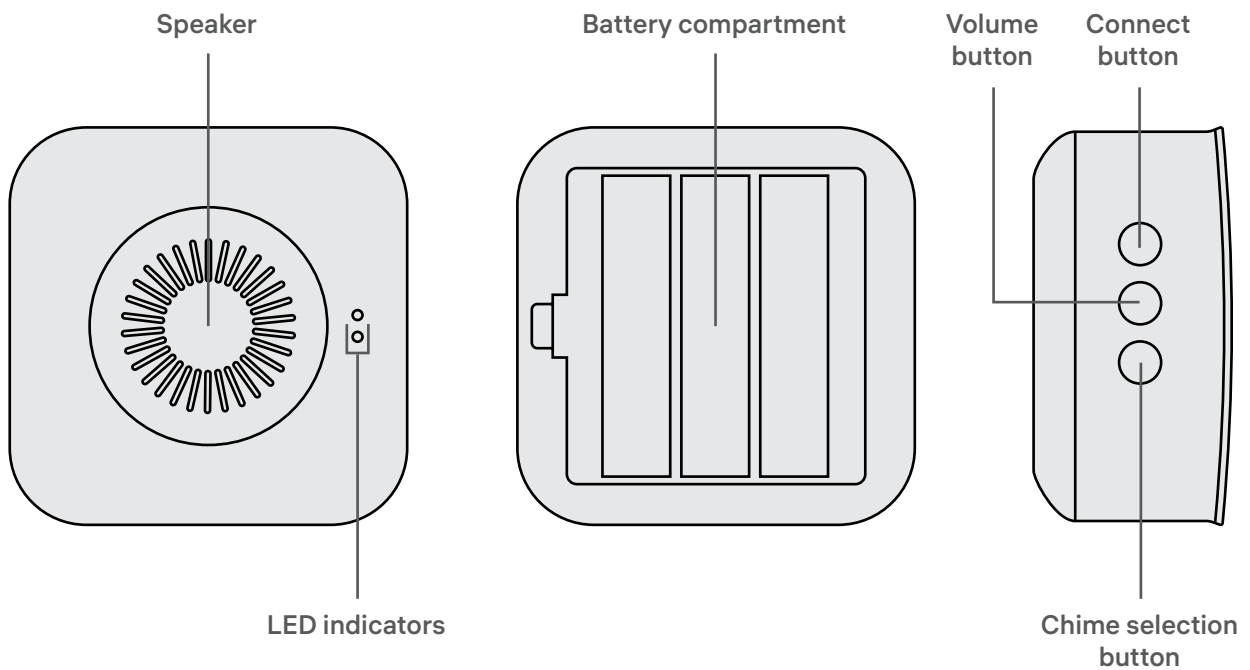

The mobile app allows you to manage the device from any place in the world. You may switch on devices and monitor their operation even when you're hundreds of miles away from home.
